To Whom It May Concern:

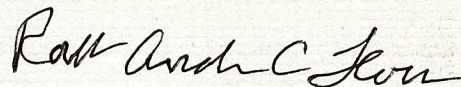

I have known Mr. Abraham Safirstein for over 12 years. His son, son-in-law, and grandson learned in our Yeshiva and over the years I found him to be an *ehrlicher yid*, involved in *tzorchei tzibbur*.

His oldest son, Ariel Gidon ע"ה, fought cancer for eight years, and during that time and in the years that followed, Mr. Safirstein dedicated himself to researching the illness. As a result of the research, he developed a unique nutritional approach. I, personally, know of cases that people were helped with his approach.

Mr. Safirstein is a ירא שמים and he helps people who are sick in a way that is a קידוש השם, always ascribing any success to the *Ribono Shel Olam*.

May he only see מעשי ידיו and succeed in helping אחינו בני ישראל הנתונים בצרה.

Sincerely,

Rabbi Avrohom C. Levin
